## FOR IMMEDIATE RELEASE

### CoreLife to Open Third Alabama Location in Hoover

**Birmingham, AL, April 8th, 2019** - CoreLife, the nation's leading comprehensive weight loss healthcare company, has announced its plans to open a third Alabama location in Spring 2019. This will be the second CoreLife location to open in Hoover, AL to serve its growing patient population.

After a successful first year of operation in Alabama, CoreLife will continue to rapidly expand with additional locations opening in Trussville, Gardendale, Huntsville, Alabaster.

"I'm very proud of what we've been able to achieve at our Alabama locations these last nine months." said Jonathan Culwell, president of CoreLife of Alabama. "Our patients have embraced the program's comprehensive approach and are achieving and even exceeding their weight loss goals as a result. This is a great testament to not only our program as a whole, but also to the team of professionals that we've assembled. I take great pride in being a part of this team. We're very excited to expand our presence in the Hoover community and look forward to the continued success of our clients."

The new CoreLife center will be located at 3000 Meadow Lake Dr., Suite 111, Hoover, AL 35242.

About CoreLife: CoreLife uniquely coordinates a safe and sustainable pathway to weight loss success by focusing on four essential disciplines - medical oversight, nutrition, exercise, and behavior modification. Using evidence based and proprietary CORA testing, CoreLife's team of medical providers, registered dietitians, and personal trainers develop and manage customized patient health profiles and treatment plans. With 80% of its patient base referred by the medical community, CoreLife works in support of referring primary care physicians, surgeons and specialists to coordinate care and maximize patient outcomes.
